Please provide, within two business days, either copies of responsive records or an Estimate Form with the cost to locate and provide responsive records, if such estimate of staff time and copying costs exceeds $200. If fees are to be charged, please return the Estimate Form along with the responsive records which will serve as the invoiced amount to the requester. Forms and process information are found on the Administrative Regulation – FOIA – Commons Page.

If your research consists of searching email, network shares, or local drive data, DTS is able to do this for you.
