Subject: Fire Side Chat Invitation

Kim, thank you so much for the invitation as provided by Todd to participate in the event on December 18th.

I look forward to it, I hope I can add value to such a respected group as your team.

I want to personally thank you for according time in your very busy schedule to meet with my team John Bayliss and Anil Gupta at AWS-ReInvent. It meant a lot to them and me.

Looking forward to meeting you in person.

Jack
