Yes please Jack. And can you highlight where you have spare conduit available?

All,
Here is the unicolor "small" copy of the network map. Please do not distribute until we have a fully signed NDA in our hands.

Best,
Rick S.

Subject: Arlington Network Maps

Jack, I understand we have the NDA in place.

Can you please provide the network mapping information that we discussed on our first call so we can review and start some discussions on where we might be able to work together?

As we discussed we are interested in both available conduit and fiber cable.

Looking forward to your response.
