Jack, I just wanted to thank you again for the amazing work you did in pulling together everyone before the holidays to help us better understand Arlington County and its direction, needs as we look for ways that AWS can assist. In speaking with Hardik, he reaffirmed what I already knew as to how rare it was to get people with those titles and responsibilities together in the same room... especially the week before Christmas. You are amazing. Thanks a ton and I am looking forward to helping Arlington success and shine this year J J

Kelley, can I bring one more staffer, David Herlihy, our Digital Innovation Officer? If not at such late notice, no problem.
