Kim,
Thank you so much for welcoming us through the Fire Side Chat. I hope our perspective had value to you and your team. We look forward to meeting with you and your team tomorrow.
Jack

Subject: Congratulations, Arlington!

Jack,
Thanks for taking time to connect this afternoon. We're excited about the recent announcement on Amazon HQ2 and look forward to working with you and Arlington to create a lasting partnership which will deliver success for the citizens and future workforce of Arlington and surrounding municipalities.

I wanted to do a provide an overview of the Amazon Web Services team who look forward to engaging you and your team, including:

- Kelley Dubois, AWS Sales Executive
- Ken Eisner, AWS Educate Lead
- Ray Chang, AWS Solutions Architect
- Todd Davis, AWS Southwest Sales Leader
- Brian Tracy, AWS Solutions Architect Southwest Leader
- John Stephenson, AWS Policy
- Faisal Hanafy, State & Local Strategy

As a team, we have coordinated internally to bring the best of talent and support as we build a strong and growing partnership.

My assistant, Matthew Boehret has also been copied to help coordinate a kick off call and follow-up face to face meeting the week of December 17th. We'll also look forward to connecting with John Bayliss in Vegas, next week.

Congratulations and we look forward to connecting!

-Kim
