Kelley,

Since you copied Chris Goodson, I suspect my name may have come up if you were involved in the AWS partnership with the Virginia Cyber Range. I did connect with Kyle Hawkins today.

Best regards.

Scott

Thanks Jack and nice to meet you Scott...though your name sounds really familiar and I feel like our paths have crossed before.

At any rate, unfortunately I am not attending re:Invent; however, our Southeast Regional Sales Leader (Todd Davis) is there. With all of the sessions and events happening there, I am hopeful schedules will allow for a meeting while there.

Thanks,
Kelley

Kelley, not sure if you are attending the AWS-Reinvent? If you are I wanted to introduce you and your team to Scott Midkiff, VP of Technology at Virginia Tech who also is attending the conference. We work very close with Scott and his team on a variety of Arlington initiatives. I thought it would be good for your team to meet him.

Jack
