Subject: Introduction and availability to meet?

Hello, Matt.

I wanted to briefly introduce myself as the Amazon public policy contact for Arlington County. We're excited about our new headquarters in Arlington and working with you.

Would have time to meet? It would be great to hear your perspectives on next steps as we move forward with our headquarters here.

I will be in your area tomorrow afternoon (around 2 pm) if that happens to work for you. Otherwise, happy to meet at your convenience.

Very best and Happy New Year,

Andrea
