Thank you, Matt.

We appreciate this, and we are committed to keeping an open dialogue with you.

We're also looking forward to tomorrow. It will be a good opportunity for continued meaningful discussion with members of the community.

We'll work with Cathy to find time to meet next week if your schedule allows. We want to catch you up on the engagement we've done to date and we'd welcome your ideas.

Enjoy the show tonight!

Andrea

Thank you both for taking time. I do apologize for not reaching out directly and for comments that I would like to have worded differently and therefor regret. Particularly as you both have been very open to speaking, with your willingness Andrea helpful in your role.

I think tomorrow will be good and we can talk soon. As a whole, I am grateful that you have chosen Arlington and truly looking forward to a partnership that I am confident will be very, very positive.

Matt

Thanks in advance!
