Thank you both for taking time. I do apologize for not reaching out directly and for comments that I would like to have worded differently and therefor regret. Particularly as you both have been very open to speaking, with your willingness Andrea helpful in your role.

I think tomorrow will be good and we can talk soon. As a whole, I am grateful that you have chosen Arlington and truly looking forward to a partnership that I am confident will be very, very positive.

Matt

A bit busy until 6. Is that too late?

Is there a time we can speak for a few minutes this afternoon?

Thanks in advance!
