Dear Libby, thank you for this introduction!

Dear Bob, we'd love to learn more about NVRC. I'm also adding Brian Moore from our team. Is there a time
next week that would be convenient for a call?

Very best,

Andrea

Dear Libby,

Many thanks for the e-introduction.

Dear Ms. Fava,

It goes without saying the Region is excited about Amazon's decision to invest in our region. We would
be more than happy to have you join us at a future meeting. Be more than happy to discuss it with you
over the phone or in person.

Kind regards,

Bob

    Hi Andrea (and Ardine): I was at NVRC tonight and spoke with our Chair, Mayor Laurie DiRocco and
Bob Lazaro the NVRC Executive Director, as well as Sharon Bulova, Chair of the Fairfax County Board.
All were enthusiastic about having Amazon come to talk with commissioners about workforce development.

     As I mentioned, NVRC has been focusing on regional workforce issues for several years. I think
this could be a very good opportunity for Amazon to hear from many of the local elected officials in N.
Virginia and for us to hear from you. I think we all have the same goals in this area.

    I'm copying Bob and Laurie here so you can connect directly with them to work out what date and
format seem most useful. All best, Libby
