Andrea,

Thank you again for this note: I took a look and believe South Lake Union is the area I visited 5-6 years ago that has a water taxi I took while on vacation. The area as a whole did seem to be a newly thriving one.

I agree that the multiplier impacts are significant and am looking forward to the time when you will be here and part of the community, as I am confident that the partnership will benefit Arlington and Amazon.

Looking forward to continuing to build the partnership over the coming weeks and months.

Best regards,

Matt

Dear Matt,

Thank you again for taking the time to meet with us this week!

You mentioned small businesses as a priority. I thought you might be interested in this blog post about how small businesses have thrived around our Seattle HQ: <https://blog.aboutamazon.com/job-creation-and-investment/catalyst-for-growth>.

Very best,
