Andrea: Happy New Year and welcome back from what I presume was a wonderful holiday in Costa Rica with your folks. I enjoyed our lunch and appreciate your time.

Here is a link to the education video I mentioned. It's about 11 minutes and offers some good insights into our very traditional education system. You may know the speaker, Ken Robinson. He's done at least one TED talk.

I look forward to working with you as Amazon comes into Arlington. Please feel free to let me know if I can be helpful. All best, Libby
