Subject: livestream/comments

Sorry for the different threads but figure it is easier to stick to one main topic per thread.

On the livestream, wanted to make sure we are on the same page, especially regarding staffing roles. Comments will be on. Good to have an Arl, COG (Megan), AMZ person monitoring so we can select a couple good questions to advance to Chuck. We were thinking of having the following info in the video description as ground rules:

Thanks for tuning in to our Regional Conversation with Amazon. For the lineup of speakers, visit www.mwkog.org. We hope to have time for a few questions from our virtual audience. Submit those in the comments below. For more resources and information about Amazon in Arlington, including answers to frequently asked questions, visit www.arlingtonva.us/amazon. Thank you for your participation.

Just to be clear, we were not planning on replying to any comments as that's a whole other level of engagement. If you think that needs to be spelled out in our ground rules, we can.

I can follow up with Megan and Jeremy on this.
