My only comment—is “this gathering of?...”
Maybe not the best language for the livestream event page?

Hi folks,

See below for our proposed page text. The focus is on the livestream vs. looking like an event page. If you can provide any quick input, great. We can get this posted soon and share the link with you.

Also, you may have seen this story from arlNow. We saw he RSVPed but missed the question in his email. I'll get back to him this afternoon.

PAGE TITLE: Livestream: A Regional Conversation with Amazon

This gathering of elected officials, government executives, and business and community leaders is a next step in an important dialogue about Amazon's plans to locate its new headquarters in Arlington. The Metropolitan Washington Council of Governments (COG) is proud to host this conversation as Amazon prepares to become a bigger part of our diverse, dynamic, and growing region.

The panel will discuss and take questions on a variety of topics, including Amazon's economic impacts, the headquarters development, job creation and workforce development, and the company's approach to working with the community on housing, transportation, and sustainability.

PANEL

Chuck Bean, COG Executive Director
Holly Sullivan, Amazon Head of Worldwide Economic Development
Andrew VanHorn, JBG Executive Vice President
Victor Hoskins, Arlington Economic Development Director
Jeanette Chapman, GMU Stephen F. Fuller Institute Deputy Director
Stephen Moret, Virginia Economic Development Partnership President & CEO

EVENT LIVESTREAM

February 21, 2019
6:30 - 8:00 P.M.

While the event is invitation-only for COG members and community stakeholders, it will be livestreamed below, beginning at 6:30 P.M.
