Please see the attached draft handout which lists panelists and some topics from Run of Show. We're also thinking maybe a COG piece on housing and transportation as our two major efforts that we've been promoting.

If this text is OK, we could use this on our event page as well as media outreach. If you could provide us comments on this by noon it would be very helpful.

Byrna/Jennifer do you have a higher-res version of the Natl Landing rendering?
