Subject: RE: Amazon Draft Performance Agreement

The new dates would be

- County Board report and ideally the agreement itself due into County system on Feb 7th (if the agreement isn't done completely the agreement itself can be added as late as Feb 21st)
- Reports/agreement available to the public on March 8th
- Regular Board Meeting – March 16th with Recessed meeting on March 19th (the 2nd date is most likely).

Hope that helps!

Christina

Christina- what is that date(s)?

Thanks!

Holly & Lloyd –

I wanted to let you know that due to timing of getting back edits from both you and our IDA and finalizing the agreement, we are now targeting the March County Board meeting for the performance agreement. This ensures that the public will have adequate time to see it before it is voted on by the Board. I think I was a little too optimistic that we would all be able to get it done to make the February meeting!

Call with any questions.
Christina

Christina-

Thank you. We will review and circle back with any questions/comments.
Thanks!

Subject: Amazon Draft Performance Agreement

Holly & Lloyd –

Happy New Year! Please find attached the draft performance agreement for your review. It includes the mechanics of the TOT grant and the TIF set aside. All performance metrics are tied only to square footage – there is no jobs target metrics (although the buildings must be occupied). We did not include language around the helipad since it was included in the County Manager's letter prior to the announcement. This item is typically something that we do not include in an incentive agreement. There should be no surprises as the language and terms we used were from the County Manager letter. The team also pulled the language from the Amazon MOU with the state so that we were being consistent. Also, please note that we will update all the Exhibit headers after we receive comments back.

We will also be sending the draft agreement to our Industrial Development Authority so they can concurrently review the language that refers to the IDA itself.

Do you want to schedule a call next week to discuss after you have had time to review?

Copied on this email is Steve MacIlsac, our County Attorney and Susan Stout, the project lead attorney. Katie McConnell is on my team and will oversee the administration of the agreement in the years to come.

Thanks!
Christina
