Lloyd

Thanks for the quick response. One clean up I noticed was the extra “controls” in the definition of “affiliate.” Unless there is objection, I will remove it.

“**Affiliate**” means any entity that directly or indirectly through one or more intermediaries controls, **controls**, is controlled by or is under common control with Amazon.

Christina,

Please find attached a further revised document. I accepted all of your comments (all acceptable to us), and made a few revisions to one of the recitals, to ensure it was consistent with our earlier agreed-upon revisions. Please contact me if you have any questions.

Thanks,  
Lloyd

Hi Lloyd – Hope you made it back safely from the reserves. We would love to get this wrapped up today – the Board really would like to post the agreement publicly as soon as possible. Let me know if you want to schedule a call (as soon as you dig out of your email).

Thanks  
Christina

Lloyd -

As I mentioned to Holly, after review with our leadership earlier this week we have made a couple of minor edits to the performance

agreement. They are:

- Section 9(o) – Confidentiality – clarified the language to show what we would release in the event of a FOIA request – essentially says the same thing just reworded
- Section 9(q) – Dispute Resolution – fixed a typo
- Section 9(v) – Limitations of Liability – added the County and IDA

We are happy to jump on a call to discuss any of the above changes - let me know and I can arrange a conference call.

Thanks  
Christina
