Christina,

Thanks again for your time on the phone today. I've attached a copy of the special legislation (SB 1255), which was signed by Governor Northam, for your review. I highlighted some pertinent provisions (which reference the requirements in the MOU, and also one provision that clearly states that Amazon or its affiliates may fulfill the job creation obligations). I've also made a few revisions to the Performance Agreement in redline, which is also attached for your review. Hopefully this meets your expectations with respect to making a reference to the job creation requirement in the MOU.

Should you or anyone else have any questions, please feel free to contact me. Thank you.

Regards,
Lloyd
