Team Amazon -

Yesterday Andrea had asked me for info regarding the BRAC job losses. I wanted to send you the slide deck that we have been using to brief the community – it includes the chart on the 34k jobs that Arlington loss through federal relocations since 2001 (24k of those were in crystal City alone). We continue to add slides as new issues come up and reorganize the presentation depending on the audience. We are working on housing info and hope to have something next week. If you want, I will be happy to send you an update.

Let me know if you have any questions.

Thanks
Christina
