Subject: County AIRE Team

Hi Andrea – I meant to ask you about this weeks ago but it dropped off my radar. I wanted to try to schedule a meeting between you (and whoever else at Amazon) to meet with John Morrill and the AIRE (Arlington Initiative to Rethink Energy) team. The County has a mission to make smart decisions about energy and supports individual actions that improve and sustain Arlington’s quality of life. John is the Energy Manager in the Office of Sustainability and Environmental Management and they are interested in meeting with you all to discuss renewable energy.

Can we work on this? I can make the intro to John.

Thanks!
Christina
