Subject: UPDATED RUN of SHOW (2/18)

Thanks to everyone for the active weekend! And for your good insights.

Thanks to COG for getting the invitations out today! (YEAH)

Attached is an updated draft ROS --- that now incorporates feedback and edits from COG and from AMZ team. (I think we got all of them-but let me know if we missed anything).

We currently have TWO sessions scheduled for tomorrow—9am call AND 11am GMU visit.

9am: Christina can confirm—but I believe Amazon will JOIN the 9am call tomorrow? This will be to review the status of everything with them

11am: During that in-person session, we will walk through everything with GMU—and I sent a separate email list with those items earlier today (media, security, signage, parking, technical choreography, etc)

We are also working on setting up a call with PANEL members for 2pm on Wednesday (Christina—just waiting for AMZ confirmation that this time works for Holly).

I think we are GOOD for today---
Talk to everyone in the AM! THANKS!!!
