Hi Belinda,

I hope all is well with you! I wanted to circle back to see if you'd had any luck with schedules for a meeting. I also wanted to introduce you to my colleague Tara Palacios in our office, who runs Arlington County's small business/entrepreneur start up program "BizLaunch." Tara is working with SCORE and GMU on a really interesting women's entrepreneurship conference - [WeThrive](#) - in March that she wanted to discuss with you. Hopefully we can all meet up soon to discuss this and other programs but in the meantime wanted to connect you ladies to explore possible partnering opportunities for this awesome event!

Thank you and Happy Friday!

Belinda,

Happy New Year! It was so nice to meet you at the joint AWS/Arlington County meeting before the holiday. I hope you and your family enjoyed a lovely first holiday together in this area!

My apologies for a delayed follow up – I could not find your card immediately after our meeting and just found it in my laptop bag. I wanted to see if we could find a time in coming weeks for our teams to meet on the various programs we discussed after the meeting (Startup Arlington, BizLaunch, ARLi, etc.)

Most of the team is out this week at a tradeshow but let me know if there are some good windows on your end in the coming weeks and I can coordinate calendars here.

Take care,
