And also – Stephen Moret said he could be on the panel. I sent him to the invite and told him there is a tentative call scheduled with the panelists for 2pm tomorrow. Please include him on the call moret@vedp.org

Thanks!

I spoke with Stephanie about their event - they are thinking about moving up the time of their event. She is going to talk to the City Manager – stay tuned. We discussed the audience participation and felt that there was a small percentage of people that might overlap and want to see both.
