Hi Cara,

I'm hoping to wrap up all my fact-finding for the story by next week, and wonder whether you (or Victor, or Christina) could let me know the best person to contact for Amazon's side of the Arlington development. I'm not seeking a full interview there, but will need to at least ask for comment. Thanks for your help.

Thanks very much for the reply Cara. Might Victor and/or Christina be available to meet at their offices on Monday morning any time before 10? I'm planning on making a visit to Arlington that day, so it would be nice to stop by in person.

Hello Mene,
Anthony Fusarelli forwarded your request over to me, as Arlington Economic Development was the department that led the Amazon effort on Arlington's behalf. I'm happy to set you up to talk with our director, Victor Hoskins, as well as our director of Business investment, Christina Winn, who were the two who were at the forefront of the process. I'm out of the office today but will check with Victor's schedule - is there a particular day or time that is more convenient for you?
