And I can do next week for initial intro if that helps and we can follow-up to deep dive with Jake when he's back on 4/22. LMK.

At the moment, it will be the week of 4/22. Do you want to schedule a meeting for that Tuesday?

Something might change to force an earlier trip.

I think an in-person meeting would be great – when do you think you will be in DC next?

Hi Christina,

Good to meet you. I am happy to meet on energy and sustainability issues. I sit out in Seattle. Depending on your timing, we can schedule a call or we can set up an in-person during my next visit to the DC region.

Best,

Subject: County AIRE Team

Hi Andrea – I meant to ask you about this weeks ago but it dropped off my radar. I wanted to try to schedule a meeting between you (and whoever else at Amazon) to meet with John Morrill and the AIRE (Arlington Initiative to Rethink Energy) team. The County has a mission to make smart decisions about energy and supports individual actions that improve and sustain Arlington's quality of life. John is the Energy Manager in the Office of Sustainability and Environmental Management and they are interested in meeting with you all to discuss renewable energy.

Can we work on this? I can make the intro to John.

Thanks!
Christina
