Christina,

Can we hop on a call with Andrea & Jennie to talk through their objectives for the workforce meeting? That will help us with the event format and communication to partners, which we'll need to get out ASAP for a 1/28 meeting. With Nestle, their HR folks gave a pretty detailed presentation outlining hiring needs, positions, etc. but am guessing that's not what Amazon would want for this meeting.

The good news is the room is free on 1/28. And I think it would be better to have it here, will probably help with participants from other parts of VA.

Happy to respond directly to them but maybe this is something you've already discussed, let me know!

Thank you, Christina.

I'm adding Jennie Massey who is going to be our lead on education and workforce policy here in Arlington. (I can't wait for the team to meet her. She's an expert on these issues, her kiddos attend Arlington schools, and she's great to work with!)

Ideally, we'd love to do this outreach before 1/31. **Perhaps 1/28?** A breakfast could also work if lunch is more challenging to schedule during the workday. We could also look into hosting at our offices here in DC if that would be helpful.

We'll have a closer look at the proposed event attached. One initial question is whether we should include Howard and Gallaudet?

See you shortly!

A

Andrea –

Please find attached info the draft workforce & education event. Can you send some dates over so that we can do a doodle poll to the proposed participants to ensure we get the best attendance?

Let me know if you have any comments or thoughts on the proposed agenda and participants. We don't have Arlington Public Schools on the list – I know you are setting up separate meetings with them so wasn't sure if you would like them to also attend this event.

Thanks  
Christina
