Good afternoon Victor,

We would enjoy the conversation, and have begun to define resources and programs relevant to Amazon and other innovation/professional services companies. I will bring our VP of Strategy, Sarah Miller, to the meeting as she was deeply involved in the talent pipeline portion of our HQ2 work. We are looking forward to it.

Subject: REGIONAL WORKFORCE STRATEGY

Earlier today, I spoke to Holly Sullivan, Director of Worldwide Economic Development for Amazon. Specifically, we talked about how we can develop a regional approach to workforce development that would include DC, Prince George's, Montgomery County and Northern Virginia. As a follow on to our discussion, she asked me to reach out to the three of you to see if you would like to meet at her offices in DC in late March or early April to begin to discuss how we could bring this concept to reality. There are many stakeholders in the educational community that would eventually need to be brought in, but she wanted to begin the strategic discussion with us.

I will have Maria Leonzo reach out to your assistants to coordinate a convenient time to meet.

If you have any questions please give me a call and I look forward to exploring this unique opportunity with you.

Best,

Victor
