We look forward to it. Perhaps at that time we could also share potential dates for a Seattle HQ Campus tour. Our County Manager has approved the visit and we are in the process of selecting the key staff from the various departments.

In addition to staff, our Vice Chair of the Board, Christian Dorsey who will be installed as Chair in January 2019, has indicated that he would join us.

Hi Andrea – On Wednesday it looks like 3pm would work for our team. Does that work for you?

Victor, Christina,

Thanks for the time today!

How does next Wednesday look for a meeting with our VA team? As we discussed, it would be great to get the team better educated on your broader efforts (e.g. transportation, housing). We could also map out approvals timeline and community engagement.

Best,

Andrea
