Hi Kelley, I'm available to speak with you tomorrow (Wednesday) or Friday late afternoon. Do either of those times work?

Good morning Anita (and Happy New Year!) are you available to chat today or tomorrow? I am meeting with DSS later this week but would like to meet with you first. I am in a training class all day today and tomorrow until 5:30 but can call at lunch or can meet you in person Thursday afternoon. I would like to recap our last conversation, update you on progress with the POC and discuss your needs from DSS and anything else that I can do to help. Will that work for you?

Thanks,
Kelley
