Jack are you available next week to meet with Faisal? I was unable to connect you two when he was in town for ours Public Sector Summit; however, he will be in town next week for a Homeless Summit/Conference and would love to meet with you and discuss what we are doing in other cities/counties. He would also like to understand your initiative and discuss how we may be able to assist/partner with you on this. Thoughts?? Do you have time to meet with him next week? He will be in town Monday-Thursday
