Kelley I am about to send you an invite. We would also like to offer you the SKYPE option if that is better for you. Let me know, I can always change it to SKYPE meeting if it is more convenient .

Good morning Kelly.

Just following up on Faisal's response from your text message yesterday. Tomorrow and Thursday are purposed days and time. Jack's calendar fills up fast. We want to make sure he is able to meet with Jack.

Thank you.

Good morning Jack and Angela, just checking in. Is there a preferred date and time next week to meet with Faisal while he is in town?

I was unable to connect you two when he was in town for our Public Sector Summit; however, he will be in town next week for a Homeless Summit/Conference and would love to meet with you and discuss what we are doing in other cities/counties. He would also like to understand your initiative and discuss how we may be able to assist/partner with you on this. Thoughts?? Do you have time to meet with him next week? He will be in town Monday-Thursday
