Subject: Re: Presentation to CoG CIOs

Hi Jack,

It was great seeing you in the morning. Very powerful discussion. I am impressed with the vision + execution you have. thanks for the introduction and invitation to speak at the cio summit.

Hi Wendy and Julie,

Very nice to meet you. Thank you for the opportunity to present. The only time I am tied up at AWS Public Sector Summit at Washington conference center is 10:30-11 am. I am quite open before or after. And if that is a time that works better, I can work to reschedule my commitment at the AWS event. Also please let me know if there are specific areas you would want us to cover.

Thanks.
