Subject: Potential Questions

Andrea,

Thank you for meeting with me this week and all you are doing to connect with Arlingtonians across the spectrum.

Per our discussion, below is a quick list of potential questions that I may ask. Please note, I can't ask all of them and I could ask a question not on this list raised by a citizen or that just pops into my head. Nonetheless, this gives you a sense of what to expect.

- Who have you met with? (providing a list in advance would be helpful and obviate the Q)
- Does Amazon's commitment to sustainability include a goal to achieve a Net Zero Energy HQ2 campus?
- Do you anticipate a relatively symmetrical distribution around the average (mean) income of \$150K or skewed. If skewed, do you expect the median to be less than the mean?
- Is providing childcare on your campus a specific goal?
- What is the average tenure of your staff?
- Do you have specific policies or programs targeted at hiring and accommodating disabled employees for the types of jobs expected at HQ2?
- Can you characterize the nature of potential lines of business expected to locate on the HQ2 campus?
- What are you most proud about your workplace environment and what do you think is the biggest challenge to employee satisfaction and retention?
- What do you think Amazon offers to a neighborhood like Green Valley?
- Are you willing to leverage your technology to partner with the Arlington community to address our challenges, i.e., AI and analytics tools to model housing and transportation infrastructure?
- How do you manage the
