**Subject:** Potential Questions

Andrea,

Thank you for meeting with me this week and all you are doing to connect with Arlingtonians across the spectrum.

Per our discussion, below is a quick list of potential questions that I may ask. Please note, I am unlikely to ask all of them and I could ask a question not on this list raised by a citizen or that just pops into my head. Nonetheless, this gives you a sense of what to expect.

- Who have you met with? (providing a list in advance would be helpful and obviate the Q)
- Does Amazon's commitment to sustainability include a goal to achieve a Net Zero Energy HQ2 campus?
- Do you anticipate a relati:
  - What kind
  - Childcare in AMZ bldgs
  - Average tenure of staff
  - Workforce development - best first job
  - hire disabled?
  - can sq footage be subleased? NO
  - Small biz CoC - matchmaking events
