Subject: Potential Questions

Andrea,

Thank you for meeting with me this week and all you are doing to connect with Arlingtonians across the spectrum.

Per our discussion, below is a quick list of potential questions that I may ask. Please note, I am unlikely to ask all of them and I could ask a question not on this list raised by a citizen or that just pops into my head. Nonetheless, this gives you a sense of what to expect.

- Who have you met with? (providing a list in advance would be helpful and obviate the Q)
- Does Amazon's commitment to sustainability include a goal to achieve a Net Zero Energy HQ2 campus?
- Workforce:
 - Will the community be abl
 - Childcare in AMZ bldgs
 - Average tenure of staff
 - Workforce development - best first job
 - hire disabled?
 - can sq footage be subleased? NO
 - Small biz CoC - matchmaking events
