Good morning. Erik is free 9-10 or 4:30-5:30 on the 21st. Would either of those work?

Thank you for the opportunity. I'd like to take advantage so I will ask my aide, Liza, to find a time that works.

Thanks!

Board Member Gutshall,

Jake Oster (copied), who heads up energy and sustainability policy for Amazon, is going to be in the area on Thursday, March 21<sup>st</sup>. I know this is an area you have a strong interest in and so wanted to see if you were available to meet on that day. If so, please let me know a time that would work for your schedule. If that date does not work, we can try to set up a call if you prefer.

Thanks,
