Hey Anthony!

Absolutely. And sorry for my delay in responding. This week a bit tough, but maybe we can look for a date in the next two weeks to get together? Bayou Bakery is becoming my new favorite spot by the way!

Hi Brian,

Hope all is well, and it was good seeing you at the Crystal City meetings last Monday and Wednesday night. I thought I'd reach out to see if we could connect in the near future to debrief a little on what you were hearing, and perhaps I could share more background and context on my experience and observations based on working in the planning arena in this particular geography for the past decade or so – to the extent that such information may be useful to you.

If you were planning to be in/near Court House soon, perhaps we can connect then over coffee or the like. I'm generally flexible on location and time if we plan a week or two out, and would be happy to head to CC/PC (or potentially other locations) depending on the exact date/time.

Thanks,  
Anthony
