Subject: Catch Up?

Hi Brian,

Hope all is well, and it was good seeing you at the Crystal City meetings last Monday and Wednesday night. I thought I'd reach out to see if we could connect in the near future to debrief a little on what you were hearing, and perhaps I could share more background and context on my experience and observations based on working in the planning arena in this particular geography for the past decade or so – to the extent that such information may be useful to you.

If you were planning to be in/near Court House soon, perhaps we can connect then over coffee or the like. I'm generally flexible on location and time if we plan a week or two out, and would be happy to head to CC/PC (or potentially other locations) depending on the exact date/time.

Thanks,
Anthony
