Our 112 Northern Virginia high school seniors and juniors are excited to practice their networking skills with you on **Friday, March 22nd**! They've been working hard on their handshakes, elevator pitches, eye contact, initiating conversation, and more.

The goal of this semi-structured networking event is for current NoVA leaders – like you – to help strengthen the professional skills of future NoVA leaders – Urban Alliance students! No prep work is necessary, but we do ask that you bring a few business cards, as students also have cards to distribute.

Thank you again, and we'll see you on the 22nd!
