Hi All,

Thanks for taking time to dial into a call this afternoon.

As I mentioned, I have attached the current flyer in two formats.

Chris, we will add your contact information to the flyer as well and send that around early next week.

You can click [here](#) to see our event registration page. We will make sure to add you to our list of speakers.

We really appreciate Virginia Tech participating in the event and I look forward to meeting everyone.

Best,

Kristen

Kristen,

Thanks! Do you have 15 minutes to talk this afternoon before 4? I can set up a conference line, if needed.

Good morning, all.

I apologize if there was any confusion regarding the call.

The purpose of the event is to provide members of the hospitality and restaurant community an overview of Amazon's arrival and do a deeper dive into what leasing opportunities would be available to restaurant operators. Many of our VRLTA members have regional restaurant concepts that would be interested in more information.

I've cc'd our President, Eric Terry as well. You'll be glad to know he is a VT Alum.

All of my contact information is listed below and I'm happy to touch base via phone if needed.

I have attached two versions of the event flyer. Please feel free to share as I forwarded it to the rest of the group as well.

Best,

Kristen

Hi Kristie – No problem. Kristen Karrfalt is copied here – she would be the one to coordinate with on the event as they are the organizers.

So glad that VT can participate!

Dear Christina,

I see that there was a call scheduled this morning about this event. Unfortunately, I failed to get in touch with you regarding VT's participation and was not aware of the call that occurred this morning until it was too late!

Brandy will not be able to attend this event, however our colleague, Chris Yianilos, Executive Director of Government Relations, will be able to (he's CC'ed here). Would it be possible for him to touch base with you later today to get updated on what was discussed this morning? So sorry for the miscommunication, but thank you so much for the invitation!

Best, Kristie

Stephanie, Andy, Brandy, and Andrea -

It's my pleasure to introduce you regarding an upcoming event in Crystal City that's being organized by the Virginia Restaurant, Lodging and Travel Association for its members. VRLTA's *HQ2 Hospitality and Restaurant Forum* is scheduled for Tuesday, March 26, from 3 to 5 p.m. at the Crowne Plaza National Airport, and Victor is planning to be one of the presenters.

Eric and Kristen – Andy Van Horn is with JBG Smith, Stephanie is the CEO of the Alexandria Economic Development Partnership, Brandy is in charge of the VT Innovation Campus in Alexandria, and Andrea is the Public Policy Director with Amazon. They all may be interested in participating as a speaker at your event, and/or connecting you with someone to represent their organization. This team has worked together extensively over the past year so you will be in good hands.

All – As you'll see below, we're assisting Eric (VRLTA President) and Kristen (NoVa Membership Director) in making initial speaker connections for their event.

Please let me know if and how I or Emily can help leading up to the event!

Thanks so much,
Christina
