**Attachment(s):** "CCBIDamazon-policy-statement\_2-12-19.pdf"

Dear Chair Dorsey and County Board members,

I am writing to share that the Crystal City Business Improvement District fully supports Arlington County's performance-based incentive package with Amazon for its second headquarters. The Crystal City BID Board took formal action at the January meeting to establish and approve a position statement on HQ2 in Arlington. We respectfully submit our statement to the County Board for your consideration. It is also [posted](#) on our website and has been broadly distributed to our stakeholders.

Best regards,  
Tracy
