Subject: RE: Permits for Warehouse Event Space

Shahriar / Emad,

Thank you and your staff for all your help issuing the permits and inspections for the Amazon event!

I just wanted to circle back and make sure the Electrical and Building permits are finalized so there are no open permits left on that site. The generator is being disconnected today and removed tomorrow. The ramps will stay and be demo'd with the building in the coming weeks. The CO should be issued and it was only for 1 day anyway.

Subject: Permits for Warehouse Event Space

Shahriar / Emad,

I am dropping off our electrical and TCO permit applications for the warehouse event space this afternoon (scanned copies attached). Please help push these through tomorrow and I can return to make payment. Inspection would need to occur Tuesday morning (assuming the county office is closed Monday) and have the TCO issued same day if possible.

ADA ramps and other barricades will be constructed tomorrow and Saturday. Generator feed and exit signage will be installed tomorrow. Please let me know if there are any problems or anything else I can do to help.

Thank you,

Chris Manzione
