Hi Bruce,

I hope this finds you well! I understand from Luis that you have been appointed as Bond administrator. Can you please take a look at this one and follow up with Woody on next steps?

Thank you so much!

Subject: Central Place Bonds

Jeanine – My name is Woody Axelson and I am working on our Central Place project. We are trying to close out bond number BMR1025982 for the project and I previously had been contacting Steve H. to see if we had any outstanding completion items. I got a bounce back email this morning so I was wondering if there was someone replacing him that I could reach out to regarding the bonds.

Thanks,
Woody
