Hi Christine,

Checking to see if you are still on schedule for issuing the press release tomorrow. I would like to include a post on our social media channels after the release is distributed and tag relevant parties. Can you let me know what social handles to use?

Thanks and please let me know if you need anything from JBG SMITH.

Vikki

Thanks, Natalie. Based on the County Board website, it looks like the meeting will be held from 2:30-4:30pm. We will plan to issue the news on the 7th and ask that any feedback/quotes for the release to be provided by early next week.

Thanks very much,
Christine

Hello Christine,

Just for clarity – the Arlington County Board Agenda will be made public on December 7. March of Dimes will be on that agenda citing the incentive/performance agreement. Based on conversations here at AED, we think the announcement could be pushed out on December 7th as well.

Let us know if you have any questions.

Natalie

All,

I just heard from Paul and Jodi that the County hearing regarding our move, as well as Amazon's, is happening on 12/7. Given that, it would make sense for us to push up our announcement so that we're part of the news coverage.

When would be the best time to issue our news? The 7th or sooner?

Thanks very much.
