Andy – Im putting together a list of organizations that Amazon (provided by Andrea) has engaged with for our leadership. I understand that you have met with some of the building trades? Can I share that and do you have exactly what I can say?

Also I know you have set up other meetings for amazon and JBG itself has been doing outreach – would you mind providing me that info this morning so I can compile a comprehensive list? This is a priority- anything you can share will be extremely helpful.
