Andy, Kate, and Andrea-

Passing this request along... feel free to reach out to Boyd directly if you are interested. Arlington County staff will not participate, and I believe the City has also indicated they will not participate.

Christina,

I met you at the listening session last Saturday morning in Arlington. I am organizing a Town Hall this Sunday in Alexandria. It is the only Town Hall in Alexandria on Amazon and there is a lot of interest in the Amazon headquarters. Unfortunately I have yet to have any contacts with some of the key stakeholders:

JBG

Amazon

Virginia Tech

Arlington Chamber of Commerce

I would really appreciate it if you could provide me with these contacts so I can let them know about this opportunity to present or provide information. Feel free to have them call me, or forward this email. I have attached the press release for the Town Hall. I have also cc'd Christian Dorsey since he is one of our panelists at the event.
