Ideally we wouldn't have the AMZ team have to commute between Ballston and 2100. Could you see if you have a conference room available at your office. I think that will just be much easier. Thanks.

Andy – I talked with Andrea about the schedule on Thursday. Amazon is going to meet with the County from 1pm-2:30pm and then following that meeting those staff working on Mets project will meet with Amazon/JBG/Seneca to go into more detail.

Can you coordinate directly with Anthony and Richard to set that meeting up? The first meeting will take place at AED large conference room. However, that conference room is booked after 2:30pm -I can check the lobby conference center, unless CPHD would like to schedule the 2nd meeting at CHP? Let me know.

Christina
