Perhaps Todd Leber from Seneca can attend as he's their development/entitlement rep. I can ask him too

Will do – let me get with Anthony to see who he wants at the meeting and then I will send dates around. I really wish John S or someone from his team would join the meeting also to hear more from the real estate side.

Yes to a drink! We can group text to discuss some potential dates.

Nice to be in touch with you again. You, me and Stephanie still need to get that drink...

I think that we could keep this initial meeting smaller, as it will be a higher level conversation about what guidance the board could provide in Feb regarding the Mets project. It would just be AMZ (Holly and/or Andrea), Nan Walsh, me and probably Matt Ginivan.

Was on a panel with Victor yesterday where he was giving you major props!

Do you want to throw out a couple dates that I can share with the AMZ team?

That is wonderful to hear! How deep of dive into the entitlement process would this meeting go – should we keep it small or includes other staff as well?

Will it be Seneca Group and Amazon or just Seneca?

Nice to hear from you BTW!

Christina,

It's been a long time (or it feels that way!). It looks like the Amazon team and JBGS want to come in to discuss the Mets entitlement process with you and the planning team in early January. Could you pull together several dates/times that work for you and the team so I can share with Amazon and get a date pinned down before the end of the year?

Thanks, and I hope all is well with you.

Best, Andy
